Adult 16.5" Rose Gold Shiny Metal Wire Coat Suit Top Clothes Hangers (30pc per set)

RRP: $109.95

There's no better time to organise your wardrobe than the present — and there's no better way to give it a clean, uncluttered look than a set of matching hangers. Upgrade your wardrobe in style with this 30-piece set of rose gold-coloured hangers by Randy & Travis Machinery. Unlike most flimsy wire and plastic hangers, these hangers are manufactured from heavy-duty wire with a 4-millimetre diameter. Toss your old hangers and replace them with these sturdy ones. No worries about your heavy winter coats breaking or bending these hangers. They're designed to handle even the heaviest pieces in your wardrobe.

Because they're strong enough to hold their shape, even with heavy clothing, they'll never bend and warp. Your clothes will come out looking as great as they did in the store you bought them. And, they come with notches so that you can hang all your strappy sundresses, strapless gowns, and camisoles without any issues. Even though they're some of the strongest hangers on the market, they have a super-slim profile, allowing you to store more garments in a small space. Don't wait until springtime to reorganise your wardrobe. Order your set of hangers today!
