

3x6m Popup Gazebo Party Tent Marquee

Out of Stock: \$684.95

From BARILOCHE outdoors - This easy pop-up Water, Wind, & UV resistant 3x6 meter Gazebo / Marquee with heavy duty frame is perfect for outdoor entertaining.

Easy Setup - This E-Z popup free standing gazebo is easy to erect, you can have this one ready in just a few minutes with minimal effort required! Folding it away again is just as quick and easy!

Fabrics - All fabrics in this versatile model are water resistant polyester construction, so you & your guests can enjoy yourselves no matter what the weather is like!

Protection - The roof & side wall cloth is a heavy duty weave. We have had the manufacturer further add water resistant PVC-coating to make it water resistant, wind resistant & with 99% UV block - protect against the elements.

Heavy Duty - Beware of cheap & nasty gazebo's out there - our gazebo is a solid heavy duty construction with total weight including roof and sides at around 39kg.

Perfect for Outdoor Picnics & Backyard BBQ's - keep it on stand-by in case the weather turns bad & set it up in a flash. No need to keep planning ahead for your next outdoor event.

Also ideal for - Street & Flea Markets, Sporting Events, Camping & Beach Outings, Corporate Events, School Events, Fairs & Festivals, Street Vendors, Parties, Weddings, Special Occasions
