Willy Inflatable Fan-Operated Costume

Outrageous? Sure. Fun? Absolutely. Stand out from the crowd with the Willy Inflatable Fan-Operated Costume. The size of your costume will be... impressive, but your effort in hauling it around will not be. A super-lightweight material will make you a very willowy willy, indeed.

This durable, one-size-fits-all costume is constructed with terylene, an extremely lightweight polyester which will keep you cool and allow you to wear the costume while not exerting effort or feeling weighed down or sweaty. An included small fan unit keeps the costume constantly inflated, and the fan's battery pack (4 AA batteries required, not included) simply clips to your pants or belt inside the suit. You can party for several hours on fresh batteries.
