

## Professional Doorway Chin Pull Up Gym Exercise Bar

RRP: \$89.95

The Doorway Pull-Up Bar has the power to turn any standard doorway into a personal gym for your upper body.

This piece of equipment is designed for chin-ups and pull-ups, which are great exercises for your abs, back, arms, and chest. There are several different padded grips and positions so you can add variety to your routine and work different areas of your upper body. The Doorway Bar is rated for men and women of up to 135 kg, and it's made from a heavy-duty, commercial-grade steel.

The Doorway Chin Pull-Up Bar is a truly unique accessory — so simple, but so effective. Order yours today and start your fitness journey with this piece of essential fitness gear.

Features of the Doorway Pull-Up Bar:

- \*Mounts and unmounts from any standard doorway in minutes
- \*Great upper body workout, including chin-ups and pull-ups
- \*A variety of grip positions to maximise your workout
- \*Comfort padded hand grips
- \*Constructed with heavy-duty steel
- \*Some assembly required; hardware and instructions included
