

## AB Power Tower Dip Chin Push Up Home Gym MultiStation

RRP: \$619.95

Looking for that versatile piece of equipment that would work on your entire body while fitting snugly in your small home or gym? Well look no further as the Power Tower is here!

Designed to work on your upper and lower body with multiple grips and handles - letting you freely switch between different kinds of exercises, even letting you incorporate multiple muscle areas in one motion!

The Power Tower has it all, but most importantly, it's made from a solid steel construction - with a wide base and multiple padded areas, the station makes sure that you're safe and comfortable all the way!

So look no further, as the Power Tower is ready to take you up to the body that you want, you just need to order one now!

### Features:

- Heavy-duty steel construction
- Arm and Back Padding
- Multiple grip positions
