

## Sunshine Inflatable Costume Fancy Dress Suit Fan Operated

RRP: \$94.95

As we all know, a sunny disposition is important for a healthy life. As for a sunny costume? That's important for a healthy party. And you'll be the life of the party when you arrive in this all-yellow stunner.

Perfect for Halloween and get-togethers all year-round, this costume is one size fits all for men and women. It's made from terylene, a lightweight polyester. Unlike latex or bulky cloth costumes, you'll keep nice and cool in this suit, and it won't weigh you down. A small fan keeps the costume inflated. The fan mechanism is small and hassle-free — just clip the battery pack (requiring 4 AA batteries, not included) to your pants or belt. You can have fun for hours with fresh batteries.
