

Curl Bar with Spinlock Collars

RRP: \$99.95

Building your upper arms has never been easier or faster than with our Solid Steel Standard Curl Bar. Designed specifically to isolate biceps and forearm muscles, this bar has long been a favorite in professional gyms. And now you can enjoy a gym-quality workout in your own home.

This bar accepts Standard-style weights up to a total capacity of 130kg. The bar itself weighs 6.4kg (14 lbs). Chrome plated and made from solid steel with knurled grips, this bar is built gym-tough. Two spin lock collars are included with your purchase.

Ready for ripped upper arms? Get it done with the Solid Steel Standard Curl Bar.
