

Roof Mount Car J-Bar Kayak Canoe Rack

RRP: \$289.95

Transport your kayak or canoe safely and conveniently!

This attractive silver aluminum rack will allow you to safely and easily transport your kayak or canoe on the roof of your vehicle. Our roof mount rack features a sturdy J-bar construction that is capable of toting any size kayak or canoe. Once your kayak or canoe is tied down with the rack's two thirteen-foot tie down straps, you can be confident of a successful transport.

No more headaches about how to get your kayak or canoe where you need it to be! Order today and take the first step toward a problem-free transport of your water craft.
