

## 3 Bicycle Bike Rack Hitch Mount Carrier Car

RRP: \$294.95

Take your bikes with you wherever you go! Our Three Bicycle Rack allows you to easily and conveniently transport multiple bikes on your vehicle.

This convenient hitch-mounted rack is capable of transporting up to three bikes. Its folding carrier arms design features a standard 2" hitch receiver.

Whether your trip is short or long, you can be sure that your bikes are securely attached. The individual tie-down system secures your bikes and keeps them safe from damage or loss.

Whether an avid and occasional biker alike, you'll love the convenience and security that this Three-Bike Rack will provide.
