

Bicycle Surfboard Rack Carrier

RRP: \$234.95

This sturdy and attractive bicycle accessory is a safe and convenient way to transport your surfboard!

This versatile accessory will save you time and headaches. Tote your surfboard safely and conveniently to the beach on your bicycle. This handy accessory won't cause damage to your bike or crush its frame. It is a perfect fit for even full-suspension mountain bikes.

The carrier rack can easily accommodate any size surfboard up to 8" in length. The carrier is sleek in design, comes only in black and is light-weight enough for anyone to handle and mount.

Have a fun day - biking to the beach and surfing the waves!
