

5kg Dumbbells Pair PVC Hand Weights Rubber Coated

RRP: \$99.95

Get all the advantages of a stay-at-home fitness regimen. Include our 5kg dumbbells pair as a part of your regular exercise routine. The dumbbells can be stored at your convenience - ready for use when you are ready to exercise! You don't have to depend on a gym's schedule. Get out your 5kg dumbbells and exercise before work or after whenever you have the time, energy and the inclination!

You will save money and most importantly time by making your home your workout center. Relying on a private gym for your fitness routine takes valuable time from your busy schedule. Costly monthly membership dues for a private gym take money away from more important things you could spend it on. Long-term contracts at gyms are becoming a thing of the past. Be on the cutting edge of fitness and improve your strength and health in the convenience of your own home.

Start your in-home exercise regimen with our 5kg dumbbell set today!
