

5x Cross-Fit Speed Skipping Rope Wire

RRP: \$79.95

5 x Fitness Speed Cable Skipping Rope with Bearings

This cross-fit speed skipping rope is essential for the serious athlete. Its length is adjustable and can be adjusted up to 285 cm. Its contoured handles allows you to carry out your speed skipping rope training with ease and in comfort. It is constructed for strength and durability with its protective speed rope wire. The rope comes equipped with an Allen key to make easy and quick adjustments.

Add our speed skipping rope to your fitness routine. It, of course, is portable and can be used in your home gym, yard or anywhere you wish to workout.

Take your fitness training to a whole new level with the addition of our speed cable skipping rope!
