

## Heavy Duty Waterproof Dog Bed - Medium

RRP: \$184.95

Dog beds are notorious for falling apart after only moderate use. The Heavy Duty Indoor/Outdoor Dog Bed uses high-quality fabric and materials for a bed that's ready for everything your dog can throw at it, indoors or outdoors.

This bed for medium-sized dogs measures L80cm x 64cm x H20cm. It's made from an extra-tough and waterproof 600 denier Oxford canvas, which is durable enough for outdoor use yet comfy enough to provide plenty of pleasant dreams. The fabric comes in a black canvas with white piping, a handsome combination for most any existing colour scheme.

The poly-cotton cushion is removable for washing thanks to a safety-concealed zipper, and the cushion itself is segmented to provide even cushioning no matter where the dog rests.

The Heavy Duty Indoor/Outdoor Dog Bed is truly fit for a doggy king (or queen). Order today and save today with our everyday low price.
