

Stainless Steel BBQ Hot Plate

Out of Stock: \$304.95

Our top-of-the-line stainless steel BBQ grill and hot plate will make backyard cooking an absolute pleasure!

Toss out that old cast iron grill and move up in life. Our premium stainless steel BBQ grill and hot plate is what you need! Grill your best on the best.

Our BBQ grill will withstand the rigors of daily use for years to come. And this sturdy grill and hot plate will withstand temperature extremes, high winds and drenching rains. This fabulous addition to your backyard is made from solid 4mm thick stainless steel and will serve you well.

Our grill features folded sides that are 15mm high and corners that are welded for added strength. The grill has a tapered drain hole for easy clean-up and maintenance.

This premium BBQ grill and hotplate is the best addition to any backyard!
