

2-Drawer Shelf Office Gym Filing Storage Locker Cabinet

Out of Stock: \$484.95

2-Drawer Office Filing Cabinet

Organise your office and get a handle on your documents with our 2-Drawer Office Filing Cabinet. Perfect for business, this cabinet is an affordable storage solution and an attractive addition to your office.

With two deep, vertically-stacked drawers, the filing cabinet has ample room for all of your documents. Drawers slide smoothly in and out and are designed to accept the standard hanging file folders.

The cabinet is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The cabinet measures 72.5 x 45 x 62 cm, and the maximum recommended weight capacity is approximately 40kg per drawer. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify drawers. Assembly is straightforward, and full assembly instructions are included. The lock comes with 2 keys.

For office furniture designed with plenty of function, choose the 2-Drawer Office Filing Cabinet for superior organisation and storage.
