

2 x Thai Boxing Punch Focus Pad Mitts Training Hit Strike Shield

RRP: \$144.95

Bring versatility and flexibility to your kicking and punching routines!

Designed to bring the maximum intensity to your workouts, these black and red weight pads are sturdy and long-lasting. The pads are built to withstand punishment while providing you with the optimum in comfort and safety. These pads with their dense padding and durable stitching can take a beating! The adjustable strap ensures a secure grip.

The pads are strapped to each forearm. When you face your exercise opponent and kick and punch your way through the routine, you'll both enjoy a great workout. Your partner will benefit from the workout just by merely holding the Thai pads against the onslaught. The pads are designed with a curve that gives both the holder and the kicker the benefit of an intensified workout.

Strap on our kicking pads and bring your training and skills to a whole new level.
