

Triple Tilt LCD Monitor Mount Freestanding Desktop Stand

Out of Stock: \$554.95

This triple-tilt LCD freestanding desk stand holds up to three monitors and is perfect for the home or office!

The adjustable feature of this freestanding mount allows you to position your LCD TVs or computer monitors wherever you need them. It's multi-adjustable – height, rotation, pivot, tilt and screen separation can be tweaked just the way you want them. The stand and brackets are of the highest quality and are safe, worry free and easy to use. The stand sits freely on your table or desk.

This stand accommodates an amazing THREE monitors at once organized in a side-by-side configuration. The brackets allow for individual adjustments. You have the option of tilting the screens from left to right and from up and down. Rotating the brackets from landscape to portrait is a quick and easy adjustment. The unique curved arm design permits the independent adjustment of the center monitor.

This mount is designed for screen sizes up to 24 inches (61cm) in diameter and for monitors of 590mm in width. The brackets can each accommodate monitors with weights up to 8kg. The mount fits VESA mounting standards including 100 and 75 and screw holes that are separated by 100 x 100mm or 75 x 75mm.
