

4 Four Poster Queen Bed Frame

RRP: \$649.95

This classic four poster bed has been designed to bring splendour to your bedroom. It's simple, yet stylish design suits any setting, while still maintaining an impressive appearance and size.

The bed's sleek black frame is trendy and modern, making it a perfect choice for the 21st Century home. But if you prefer a more 'old-style', romantic look, its modest design means that it is easily dressed with drapes in order to achieve the style you want. What's more, the frame's neutral black allows it to fit in with any colour scheme - Versatility at its best.

As it is Queen Size, the bed has plenty of space, providing the luxurious comfort that you deserve after a long day. The bed's fifteen wooden slats provide flawless support for a Queen mattress, without the need for any additional foundation.

It is also an ideal choice for those who want a sturdy four-poster bed that will last. It's strong, metal frame and side rails guarantee that it is both stable and durable.

Whatever your design scheme, this bed has all the desirable features of a four-poster bed – a purchase you won't regret.
