

Sliding Gate Hardware Accessories Kit - 6m Track, Wheels, Stopper, Roller Guide

RRP: \$504.95

This Slide Gate Hardware Kit uses only the most heavy duty and high quality components.

The U-groove bearing wheels fits perfectly with U-groove ground tracks. Building your gate with 2 bearing wheels will ensure the weights of the gate are distributed evenly by reducing the span length, resulting in a less effort, less friction and smoother sliding gate system.

Package Includes:

- * 6m U-Groove Galvanised Ground Track - 6 x 1.0m (Additional 2 x 1.0m packs sold separately)
- * 2 x 90mm U-Groove Bearing Wheels Galvanised Suitable For Internal and External
- * 1 x Upper Guide Bracket with 2 Nylon Rollers
- * 1 x Gate Stopper
- * 1 x End Gate Catcher
