

1.8X3M Retractable Side Awning Shade

RRP: \$344.95

This fabric awning is the ideal solution for blocking sun and wind, as well as giving a superior level of privacy to any outdoor space. When the sun lies low, simply pull out this Retractable Side Awning to enjoy your patio or balcony at all hours of the day without glare. The fabric is UV-resistant to protect you from harmful sun rays. When not needed, automatic roll-back action makes it a snap to return the awning to storage!

The grey tear-proof polyester is supported by a sturdy steel frame. For best results, it is advised to hire a professional for simple installation of this Side Awning.
