

## Arcade Basketball Game 2-Player Electronic Sports

RRP: \$474.95

This Arcade Basketball Game is a perfect game for the entire family. It's designed for one or two players and allows you to choose from eight different game play options. The frame is constructed of sturdy 7/8-inch diameter metal with durable 12-inch diameter steel rims and braces to provide stability during active play. The LED scoring system keeps track of score and time and also has integrated arcade sound effects for an authentic stadium experience. After playing, it can be folded quickly and easily for storage. All accessories are included.

### Features:
