

4pcs 45cm Road Traffic Cones Reflective Overlap Parking Emergency Safety Cone

RRP: \$154.95

Always be prepared with these bright orange-red reflective traffic cones from Randy & Travis Machinery. Use them to mark off potholes or other dangerous areas in your parking lot, driveway, or access road—or even to cordon off slippery floors inside your building. No worries about storage. These 18-inch cones stack easily, so you can store them in a closet or storage room. Made from premium-grade PVC, these cones are flexible, yet tough and durable enough to hold up even under hard use. Tow trucks, emergency responders, and road safety crews find them indispensable to have on hand to direct traffic around accidents, fallen trees, or other road hazards. With a wide body to help with wind resistance, these cones stand up to harsh winds and storms
