

Eyelet Hanging Exercise Mat

RRP: \$74.95

Never leave your exercise mat out again with this hangable exercise mat from Randy & Travis Machinery. Use it for yoga, general fitness exercises, or Pilates at home or at the gym, and then hang it up with its convenient eyelet holes when you're done. Stretch before and after you play your favourite sport to avoid injury and maximise flexibility for better performance. Made from durable foam, this mat works well for any kind of floor exercise.
