

Wall Mounted Multi Grip Chin Up Bar Upper Body Training

RRP: \$379.95

Wall mounted and sturdy, this multi-grip chin-up bar by Randy & Travis Machinery works well for personal gyms or commercial use for personal training studios or commercial gyms. With a countless number of possible grip variations, you'll get a lot more for your money with this multi-grip model.

With a 250 kg rating with a safety factor of 2.0, this bar is as sturdy as it is versatile. Do, though, exercise care when you use this or any other piece of gym equipment. It's a training aid, not a toy. Install it easily on the wall with Dynabolts, included for your convenience.
