

60 x 90cm Magnetic Writing Whiteboard Dry Erase w/ Height Adjustable Tripod Stand

RRP: \$219.95

Illustrate your points beautifully in your next meeting with this 60cm x 90cm dry-erase whiteboard from Randy & Travis Machinery. With a height-adjustable tripod stand, you can change the height to accommodate conference room conditions, attendees, or the presenter.

Single-sided, the whiteboard allows you to attach a pen storage tray at the bottom of the frame, so you'll never be without dry erase pens. It comes with two magnets, a cleaner eraser, and a water-based pen.

Teachers, too, will want this for their classroom, so they and their students can give close-up presentations with this easily portable tool. Crafted from light, strong aluminium, the board has four plastic corners for safety when moving it around.
