

32mm Wooden Gymnastic Rings Olympic Gym Rings Strength Training

RRP: \$119.95

Train for your own pleasure or aim high in competition with these 32-millimetre wooden Olympic gymnastic rings from Randy & Travis Machinery. Other athletes may find rings perfect for cross training on strength and balance, while physical therapists often use them for patients who need to stabilise their core.

The rings come with heavy-duty nylon straps for support.

Specifications:

- Ring inner diameter: 17 cm
- Gym ring diameter: 32 mm
- Strap dimensions: 3.8 cm x 450 cm
- Material: Wood (rings) Nylon (straps)
