

2x Protein Gym Shaker Premium 3 in 1 Smart Style Blender Mixer Cup Bottle Spider

RRP: \$34.95

If you're into fitness, chances are, you have a favourite protein supplement or two. Randy & Travis Machinery's protein supplement shaker helps you turn your protein powder into a delicious, nutritious drink that will help you recover from your daily workout. Three compartments keep your workout supplements organised:

1. Pill and capsule compartment for vitamin and mineral supplements before your workout
2. Protein or carbs compartment
3. 600-millitre shaker compartment

Use this handy shaker to mix meal replacements when you're travelling or have a busy day. Take one with you the gym—its tight lid keeps it from spilling. Purchase yours today.

Features and benefits:

- 3-compartment shaker for pills, protein and carbs, and liquid
- 600-ml liquid compartment
- Quantity: 2
- Leak-free and dishwasher safe
- Spider-style spring helps mix everything together smoothly
