

## Lower Back Brace Unisex Posture Corrector Lumbar Support - Large

RRP: \$39.95

Confidence comes naturally to those who stand tall. Correct your posture —and gain instant confidence—with Randy & Travis Machinery's Posture Corrector Unisex Back Brace. Soft against your skin, this brace keeps your spine in line with its internal steel-and aluminium construction supporting your back.

Back pain, neck pain, and that overall tired feeling will melt away as you walk, stand, and sit with perfect posture. No more slump, no more hunched shoulders. Whether you sit, stand, or run, project strength and confidence at work and play with this brace. Large size fits waists ranging from 80 to 90 cm and runs 44 cm from top to bottom for maximum support.

### Features and specifications:
