

Arthritis Gloves Compression Joint Finger Hand Wrist Support Brace - Small

RRP: \$29.95

Whether you have arthritis from an old sports injury, rheumatoid arthritis, or simply have trouble keeping your hands warm due to poor circulation or stress, these compression arthritis gloves from Randy & Travis Machinery can relieve your pain and support your hands as you go about your work. In neutral grey, they coordinate with a wide range of colours—so you can look as good as you feel.

Mild compression increases the circulation in your hands, speeding healing to your sore, achy hands and fingers. Designed by an orthopaedic surgeon, these unique gloves feature open fingertips, so you can use all your touchscreen devices as you normally would. Get yours today.
