

5 Tier Wooden Ladder Shelf Stand Storage Book Shelves Shelving Display Rack

RRP: \$184.95

Need an accent piece that will add character, yet do double duty for storage? The 5-Tier Wooden Ladder Shelf Stand by Randy & Travis Machinery is the perfect solution to your decorating challenges. Capable of holding lamps, books, collectibles, or other household items, this piece has the charm of an old-fashioned ladder, yet its clean lines are perfect for even the most modern décor.

You need not limit this stand to the living room, though. It's perfect for bathrooms to hold towels and guest soaps, or in kitchens to keep recipe books, bowls of fruit, or in front of a window stacked with fresh herbs.

This versatile stand flattens for easy storage, making it a great choice for seasonal décor as well. Crafted from easy-care MDF and chipboard, cleaning it is a breeze. Solve your decorating and storage needs with one great piece. Buy this 5-tier ladder shelf stand today.
