

5 Tier Wooden Ladder Shelf Stand Storage Book Shelves Shelving Display Rack

RRP: \$174.95

Enjoy the extra storage this five-tier ultra-modern ladder shelf from Randy & Travis Machinery provides in any room in your home. Its sleek profile and clean lines make it a natural to accent corners, serve as a side piece, or display your most prized collectibles.

As versatile as it is beautiful, this ladder stand can hold books or plants in the living room, while in the kitchen, it can display your collection of antique dish towels and aprons. Use it in the bathroom to hold extra soap, toilet paper, or towels.

Manufactured from easy-care MDF and chipboard, this shelf is easy to clean. If you need to make room for something else, simply fold it flat for storage. Have a place for everything—and everything in a most elegant place with this lovely stand. Buy yours today.
