

## X Shaped Table Bench Desk Legs Retro Industrial Design Fully Welded

RRP: \$409.95

X marks the spot for cutting-edge design with these industrial-inspired X-shaped table legs from Randy & Travis Machinery. Crafted from thick, black-coated sturdy steel, these table legs can handle loads up to 300 kilogrammes—just in time for holiday tables laden down with food.

Fully welded with pre-drilled holes on each mounting plate, these legs are easy to install. Their powder-coated finish ensures they'll have a long life underneath your table or supporting your bench. If you want a table that will draw 'oohs' and 'ahs' from your friends, order these superb, stylish replacement legs today.
