

Double Two-person Camping Sleeping Pad

RRP: \$264.95

Whether you are taking a long hiking trip, or just want to spend a weekend outdoors, getting a good night's sleep is vital. With Randy & Travis' double two-person camping sleeping pad, you and your tentmate will enjoy all the comfort of home while under the stars. A V-shaped chamber design controls air movement inside the pad to maximise comfort.

Sized perfectly for a two-person tent, this rugged sleeping pad can handle even the roughest terrain with ease.

A patch kit quickly repairs any accidental tears, while a stuff sack holds your deflated bed and all its gear. Tested for leaks over a 24-hour period before they ship, our two-person sleeping pads will provide dependable service as you enjoy the great outdoors.

If you've been planning to go on a camping trip before summer's end, don't put it off another week. Order your two-person camping sleeping pad and accessories today.
