

3.75" Funko Pop! Vinyl Protector - 50 Pack

RRP: \$84.95

You need a safe, acid-free place to store your Funko Pop! and other smaller collectables. This 50-pack of acid-free vinyl protector cases from Randy & Travis Machinery will do just that. Slip your Funko Pop! collectable into one of these, and you can display your collectable in confidence that it will stay safe from environmental pollutants.

These crystal-clear boxes are crafted from archival-quality PET. These 35-mil-thick boxes will cushion your collectables from the bumps and accidental falls that occasionally happen, despite how carefully you store them. Perfect for storage when you move, these protector cases will keep your most precious collectables safe and sound.

Stackable for efficient storage, these protective cases make it easy to assemble with their pop-up bottom construction. A top lock tab closure repels dust, keeping your collection dust-free.
