

Black Pendant Lighting Kitchen Lamp Modern Pendant Light Bar Wood Ceiling Lights

RRP: \$79.95

When you want a sleek, modern design for your home's lighting, this black pendant light from Palermo is the perfect choice. Whether you group them for heightened effect over a kitchen island or breakfast bar or hang solo over a table, this cone ceiling light gives your room an instant focal point.

Its sleek shape also lends itself well to contemporary homes and high-rise flats, while its black colour blends in seamlessly with practically any colour scheme. With 60 watts of lighting power, these ceiling-hung lights provide plenty of illumination for work areas, such as centre islands, while never overpowering the room.

Commercial establishments, too, choose this pendant light to channel the trendy mid-century vibe. Perfect for bars, restaurants—and even coffee shops, this stunning cone light will create instant ambience anywhere people gather. Don't wait until they're all gone!
