Giant Unicorn Inflatable Fan-Operated Costume

Stand out from the crowd with our Giant Unicorn Design Inflatable Fan-Operated Costume. The size of your costume will be impressive, but your effort in hauling it around will not be.

Our suit is constructed with a lightweight variant of polyester and is powered by a small fan unit within the costume – both of which allow you to wear the costume with very little effort on your part.

The costume is one-size-fits-all for adults, suitable for those less than 200 cm (6'5), and simply requires 4 AA batteries to run – making it the ideal option for a last-minute costume.
