

Stainless Steel Double Toilet Paper Holder Towel Roll Tissue Rack Storage Shelf

RRP: \$84.95

An elegant yet practical solution to the perennial challenge of making the toilet paper holder look pretty while still ensuring it serves its purpose, this product from Randy & Travis Machinery ticks off all the boxes. Crafted from easy-clean, low-maintenance stainless steel, the bath accessory features an attached decorative storage shelf, which displays plants, knickknacks, or holds other items, such as mobile phones, glasses, or keys.

Sleek and contemporary in design, the piece blends well with nearly every style of décor. Its neutral silver colour blends well with almost every colour scheme, while its durable construction promises years of service. With its two-roll capacity, it gives you more time between refills. It's easy to install and takes up little space, and yet the holder helps you seriously increase your home's storage capacity.

The perfect blend of design and convenience, this toilet paper holder is one you'll want in all the bathrooms in your home. Buy yours today!
