

Modern Wall Clock Silent Non-Ticking Quartz Battery Operated Rose Gold

RRP: \$69.95

Contemporary and striking in looks, this rose gold wall clock from Randy & Travis Machinery will be a stunning addition to your home, office, or school's wall décor. With Arabic numerals in an ultra-modern font, you'll be able to see the time easily from wherever you are in the room. Its trendy rose gold frame will add a touch of extra class to any space.

Battery-operated and silent, this wall clock blends into the background with no extra noise. Its soothing rose gold colour makes it perfect even in your bedroom, study, or library. Streamlined and elegant, it's the perfect accessory for contemporary or Mid-Century Modern homes. Its precise quartz sweep movement ensures to-the-second accuracy.

Its anti-fog glass cover ensures consistent performance—even in moisture-prone rooms such as kitchens and bathrooms. Its flat-lens casing makes it easy to clean

Dress up your walls this coming season with the elegance of rose gold. Or —buy one as a gift to have on hand for the holidays. Get yours today!
