

5m2 Box of Premium Carpet Tiles Commercial Domestic Office Heavy Use Flooring Black

RRP: \$219.95

Cover your floor in comfort with these premium carpet tiles from Randy & Travis Machinery. Whether you need economical flooring for your home or your office, these floor tiles can hold up under even the heaviest foot traffic. Not only that, but they're sun-damage resistant as well, so you can install them in even the sunniest rooms. They're easy to clean and simple to replace when you want a new design. They even protect your floors, so they're a great choice for kids' rooms, particularly if you have expensive hardwood or other high-end flooring in your home.

No underlay required, glue down or use double-sided carpet tile tape.

Perfect for workrooms, garages, gyms, offices and even unfinished floors, these tiles allow you to mix and match the colour combinations to create your own custom design. They're easy to trim to fit odd corners and tight spaces. You won't need special tools since they trim easily with only scissors or a utility knife, making them the perfect choice for any area.

It's time to spruce up your space. Get these foot-friendly carpet tiles today!
