

Large Colourful Wall Clock Kitchen Office Retro Timepiece

RRP: \$54.95

For a colourful addition to your kitchen, café, or casual restaurant, this rustic French café-inspired wall clock by Randy & Travis Machinery is the perfect choice. With a rainbow of muted colours, it adds a pop of colour to accent your room's best features, while blending in with almost any colour palette.

Its classic design evokes the charm of a rustic village café, while its silent time-keeping stays in the background. Accurate quartz movement assures precision—you'll always be on time.

With its vintage looks and contemporary construction, this clock is a great choice when you want a welcoming, casual ambience. It's the perfect choice for a holiday, wedding, birthday, or anniversary gift or to add a charming touch to your own home. Order yours today.
