

## Tree Bookshelf Bookcase Book Organizer 9-Tier Multipurpose Shelf Display Racks

Out of Stock: \$134.95

For a strikingly contemporary way to display your book collection or other prized collectables, this angled set of bookshelves from Randy & Travis Machinery is the perfect choice. With nine tiers of display shelves set at asymmetric angles from each other, this piece can become the focal point of a room—or serve as an eye-catching display in a bookstore or in your office.

Its neutral white colour blends into the background of your room. Crafted from MDF faux wood, it's paintable in any colour to match other furnishings. Shelves vary in size for extra eye appeal.

Durable yet ever so elegant, this bookshelf is the perfect accessory for your home or business. Get yours today.
