

## Jewellery Storage Box Girls Rings Necklaces Display Organiser Storage Case

RRP: \$84.95

For an elegant storage option for your finest jewellery, you can't do better than this sleek black jewellery box by Randy & Travis Machinery. Perfect for a gift for that special someone or for your own use, this jewellery box organises your precious jewels in three separate levels—each divided into specialised compartments for the ultimate in convenience.

Perfect for travel as well as at home, it comes with a mirror attached to the inner lid so you can see just how gorgeous you are in that new pair of drop earrings. It even locks for extra security during your travels—and it has a handle for easy carrying.

With a glossy black PU leather cover contrasting with its soft white velvet faux suede interior, it's as attractive as it is useful. Its velvet storage compartments protect your precious jewellery from scratches and dust. Separate your earrings, necklaces, watches, bracelets, and other pieces to find them easily when you dress for work each morning.

Pamper yourself with this gorgeous jewellery box this year. Or, delight your family member, partner, child, or spouse with this jewel box for a special gift. Buy yours today.
