

Watch Box - 24 Slot Luxury Display Case With Framed Glass Lid

RRP: \$149.95

If you have a large watch collection and plan to buy even more, you don't just want to toss them into a standard jewellery box. This elegant 24-watch case by Randy & Travis Machinery is the perfect solution to your watch storage needs. On the outside, solid wood craftsmanship covered with easy-care PU leather provides a durable foundation, while soft grey velvet pillows provide a cushioned spot for each watch.

A glass top allows you to see all your watches at a glance, while a lock keeps your collection safe. Its vintage charm takes you back to a time when storage wasn't just practical but beautiful as well.

Whether you plan to buy this as a welcome gift for the gentlemen who has everything or for your own use, this is a superb storage solution for an avid watch collector. Get yours today.
