

Gymnastics Training Bar Kids Adjustable Horizontal Kip Fitness Gym Equipment

RRP: \$854.95

Whether your child is a serious gymnast or just wants to have fun, this kids' horizontal gymnastics bar by Randy & Travis Machinery is just the ticket. Putting safety first, this training bar is solid and stable, making it an ideal choice for competitive gymnasts training at home. Constructed from heavy-duty steel and sturdy timber, this horizontal bar will last for years to come. With its four knobs, this horizontal bar is easily adjustable for kids of all ages.

From beginners to more advanced youth gymnasts, this stable bar can support a variety of exercises. Kids who aren't gymnasts, too, will enjoy swinging on this horizontal bar, inventing tricks limited only by their imagination. Keep your children entertained and active with no worries about safety. Its professional-grade quality and double-locking safeguard system can support weights up to 150kg. End caps crafted from soft rubber keep the structure stable on the floor.
