Kids Gymnastics Bars Training Horizontal Bar Monkey Kip Bar Black

RRP: $294.95

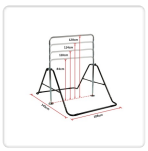

Built for both fun and serious training, this kids' gymnastic horizontal bar from Randy Travis & Machinery will keep your kids busy for hours. Today's kids need more physical exercise—and this horizontal bar delivers that and more. This horizontal bar is sure to please your child.

No worries about safety with this equipment. Its triangular structure minimises wiggling and swaying to provide the ultimate in stability. It's easily adjustable to four different heights to suit kids of all ages. All you need to do is to fasten the knob or pull on the quick-adjust knobs on both sides to change the heights. A spin-lock mechanism allows you to adjust in seconds.

Four rubber pads wrap around the four corners of the foundation to protect your floor so you can use it inside and out. It folds easily, so you can take it outside on warm, sunny days for outdoor fun. When the kids are done for the day, simply fold it up and store it until they want to use it again.

This gymnastics bar is easy to assemble, making it the perfect holiday or birthday gift. Simply assemble it, stick a bow on it, and delight the little ones in your life the next morning. Order yours today.
