

Shower Corner Shelf White Caddy Bathroom Shelves Organiser Bath Storage Rack 4

RRP: \$94.95

At the end of the day—or when you start your morning—there's nothing like a comforting, refreshing shower. The only problem with showers is that most designs don't provide you with enough storage to keep everything you need at your fingertips.

With this white corner shelf caddy from Randy & Travis Machinery, you'll enjoy four shelves of streamlined beauty to display your soap, shampoo, and other bath accessories. You keep your favourite products close at hand, yet out of the way of your personal shower space, thanks to its corner design.

Crafted from durable steel and corrosion-resistant, this caddy can store everything you need, maximising storage space on your bathroom benchtops and in cabinets. And because of its simple design and neutral colour, you may even use it in the kitchen or your living space. With four tiers of vertical space, you'll have ample amount of additional space that you need for storage. Order one today!
