

## Basketball Ring Hoop Height Adjustable Portable Set

RRP: \$329.95

With the advent of warmer weather, your older kids' thoughts turn to basketball. Make your home the chosen hangout of your kids and their basketball-loving friends with this youth basketball hoop by Randy & Travis Machinery. Have kids of different ages? Its telescoping height mechanism adjusts from 5.4 to seven feet to accommodate size differences and adjust as your child grows.

Manufactured with sturdy steel tubing and rim with a tough PE backboard and base, this durable basketball hoop set will stand up to even the roughest treatment. With its weather-resistant nylon net and sturdy construction, it's perfect for basketball practice and games inside or out. It's portable, so your kids can even take it along when you go on holiday or on an outing to the park. Don't wait until these basketball hoops are all gone. Basketball weather is just around the corner. Get yours today.
