

Wallpaper White Birch Tree Non-woven Wall Paper Roll

RRP: \$59.95

Want to bring a bit of nature into your home? With this stunning white birch tree wallpaper from Randy & Travis Machinery, you can relax in a quiet forest without ever leaving home. Perfect for an accent wall in your bedroom, living room, dining room, or den, this non-woven wallpaper will pump up the wow factor in your home. Winter-bare birches reach up to the sky, creating a focal point that will quickly become the centre of attention in whatever room you put it in.

Its moisture-resistant, non-woven construction makes it an excellent choice even in humid climates. It's durable and takes little maintenance – only a swipe with a damp cloth or a mild cleaning solution is all you need. Be sure to order enough for each room the first time to avoid colour differences among batches. Get yours today!
