

Wallpaper Faux Brick Wall Paper Roll

RRP: \$54.95

Want the look of traditional brick without the price or hassle of installing interior brick walls? With this faux red brick wallpaper by Randy & Travis Machinery, you can have the stunning visual pop of brick in an easy-clean, easy-remove form.

It's perfect for an accent wall – or you can transform your entire room with its vintage vibe. Just make sure you order everything you need to complete the project so the rolls come from the same batch. With its unique pattern, colours often vary slightly by batch. Be sure to sand down and clean your walls before installations. There's no better time than now to give your room a gorgeous brick makeover. Order yours today!
