

170cm Cat Tree Scratching Post Tower Trees Scratcher House

RRP: \$294.95

Your cats love places to hide, places to play, and places to sharpen their claws for their next conquest, be it a mouse or a favourite toy. With this deluxe cat condo and treehouse by Randy & Travis Machinery, your cats will have the best of all worlds. This luxurious tower features perches on which they can watch the world, cubby holes in which they can hide for a snooze, and lush sisal wrapped around scratching poles, giving Kitty the best of all worlds.

Platforms set at a variety of heights entice your cat to hop, jump, and pounce, while the cubby holes give your cats the sense of security they crave. Keep your cat active and healthy while giving him an alternative to your furniture and carpet and yet keep his claws strong and healthy.

Crafted from natural sisal and E1 standard board, this huge cat condo is completely eco-friendly yet durable – built to last. Its plush velvet upholstery pampers your cat like the royal pet she is even as its neutral timber and sisal material blend in with your home's other furnishings.
